Hi, Noah.

Just wanted to let you know that Robert Moler in our Montana Office will be taking over as CIC for the CFAC site. I have forwarded this letter to him, and he will be working with Mark Chalfant and Mike Cirian to draft a response.

Thanks,  
Cynthia

**Subject:** Letter from Senator Tester on CFAC

Hi Mark & Cynthia,

Please find attached Controlled Correspondence to respond to Senator Tester. A formal response is required. I have attached a letter that was created to respond to one of the Congressmen in a different subject that you might use as a template. This word has been formatted to fit the R8 requirement so please use it to draft the response letter. It has the correct letter head and format.

Spoke with Mike and he suggested keeping this in Denver because he is going to be out for surgery. Please let me know if I can be of further assistance.

Thank you,
